

connect 2024

*2024 CMI International
Bible Conference*

July 10-13th, 2024

We live in a disconnected world; disconnected in family, friends, community and God. Thus, people young and old feel lonely, distressed and depressed.

We invite you to come to our conference that you may be connected

with God and reconnect your relationship with Jesus and your life may be blessed with a connection with your family, friends and community.

May you live with the Lord's blessed purpose in your life because of His grace.
